

SUPRA COMBICON SPADE

Loudspeaker connector Spade

Rev.date: 2026-03-10

Customs tariff no: 8536901000

Country of origin: Taiwan

SUPRA CombiCon Spade/Fork

24K Gold or Rhodium plated speaker connector for cable up to 6mm².

Supra CombiCon (Combination Connector) consists of a body and an inter-changeable spade part with M6 thread. It is easy to replaced the spade to Supra CombiCon Banan/BFA pin. The kit also includes banana pin with M6 thread.

The contact body is the part that is mounted on the cable. It is possible to connect straight or alternatively at 90 degrees (perpendicular) to the contact body. If you prefer a solid spade without the possibility of switching to banana, choose the Spade Solid OFC crimp 3.5mm part.

The Spade M6 part fits both CombiCon M6 body and CombiCon M6 Crimp bodies.
