

SUPRA HDMI-DVI

HDMI/DVI-cable Ultra High Speed 4K@60, v2.0

Rev.date: 2026-09-09

Customs tariff no: 8544429010

Country of origin: Sweden

- Supports resolutions up to 1920 × 1200 @ 24 fps over 30 m
- Detachable housing for conduit installation
- Triple shielding for excellent interference protection
- 24K gold-plated contacts for reliable performance

SUPRA HDMI-DVI

The SUPRA HDMI-DVI is a high-performance cable designed for reliable digital video transmission between computers, media players, projectors, A/V receivers and displays. It supports bi-directional HDMI-to-DVI and DVI-to-HDMI signal transmission while maintaining excellent signal integrity over long cable runs. The detachable connector housing makes installation through conduits and tight spaces straightforward, while the triple-shielded construction provides effective protection against electromagnetic and radio-frequency interference. Proudly made in Sweden.

CONSTRUCTION

Cable:	SUPRA UHD4
Conductor:	Solid-strand 5N oxygen-free copper, AWG 23
Cross-section:	0.25 mm ² / AWG 24
Insulation:	Air-injected PE foam
Shielding:	Triple shielding, aluminized PET foil + OFC braid
Jacket:	Heat- and age-resistant PVC
Diameter:	Ø 7.0 mm
Color:	Ice Blue
Connector:	DVI-D 18+1 / HDMI
Contacts:	24K gold-plated
Connector housing:	Detachable metal housing
HDMI orientation:	Straight / 45° angled
Installation:	Suitable for >20 mm conduit pipe / >25 mm conduit tube
Max resolution:	1920 × 1200 @ 24 fps
Standard:	HDMI 2.0 High Speed & DVI-D 18+1
Shield:	Triple-layer aluminized PET foil and OFC braid
Velocity factor:	0.8 × speed of light
Packaging 1-4m/5m:	23x20x4cm/23x20x6cm
Packaging 6,8m/10-15m:	31x28x4.3cm/31x28x6.2cm
