

SUPRA RCA-8SL RHODIUM

High-end RCA with chuck locking, Rhodium plated

Rev. date: 2026-05-15

Customs tariff no: 8536901000

Country of origin: Taiwan

SUPRA RCA-8SL RHODIUM - with chuck locking

Our highest-grade RCA plug, rhodium-plated and specifically engineered for the Sword Interconnect cable. Fully shielded and RFI-proof, featuring a robust design suitable for cables up to 8.5 mm. It incorporates mechanical cable strain relief as well as secure fixation to the female chassis RCA via a chuck-locking system, ensuring an exceptionally stable yet gentle connection for both cable and connector. The design features a one-piece machined body, a solder loop for the negative (0) signal conductor, and an additional connection for the screen drain wire. PTFE insulation provides maximum heat resistance, while the aluminum metal housing is front-mounted and forms an integral part of the chuck-locking system to the chassis-mounted RCA socket.

CONSTRUCTION

Type:	RCA Male
Material:	Rhodium plated copper
Insulation:	Teflon PTFE
Housing:	Shielding, front mounted
Wire connection:	Soldering
Center pin type:	Expanding
Chassis connection:	Soldering
Cable fixation:	Screw
Cable connection:	Straight
Contact fixation:	Chuck locking, tighten housing to lock

Available Packaging

- 1 pair (white & red)
 - 50 pairs (50 white pcs & 50 red pcs) – bulk pack
- Bulk packaging is supplied exclusively in 50-pair packs to retailers, while individual pairs are available through retail stores.

! Plugs with chuck lock. Turn the grey housing to release or lock the plug to the female terminal.
