

UHD4 HDMI/DVI/DP Cable

Bulk Installation Cable (B300)

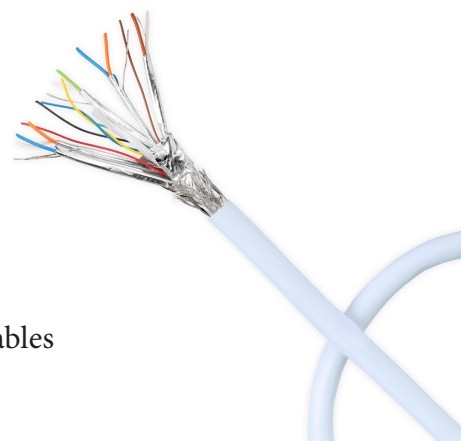

Gauge: 0.25mm² / AWG 24

Rev.date: 2026-07-15

Customs tariff no: 8544499390

Country of origin: Sweden

- Designed for manufacturing custom HDMI, DVI and DisplayPort cables
- Precision engineered for high-bandwidth digital video transmission
- Triple-shielded construction minimizes EMI, RFI and crosstalk
- Manufactured in Sweden using premium materials

UHD4 HDMI/DVI/DP

SUPRA UHD4 HDMI/DVI/DP Blue B300 is a professional-grade bulk cable developed for the production of high-performance HDMI, DVI and DisplayPort assemblies. The cable is optimized for reliable transmission of high-bandwidth digital video and audio signals while maintaining stable impedance and excellent signal integrity.

PE foam insulated conductors, individually shielded high-speed pairs and an overall triple-shield construction provide exceptional immunity to electromagnetic interference and minimize crosstalk, making the cable suitable for demanding AV installations. Its robust PVC jacket ensures durability while maintaining excellent flexibility for installation and cable assembly. The cable is supplied on a 300 m bobbin for professional cable manufacturers and installers.

CONSTRUCTION

Cable type:	Digital AV bulk cable for HDMI / DVI / DisplayPort
Conductors:	PE foam insulated precision conductors with individually shielded TMDS pairs
Shielding:	Triple shielding (individual pair shields + aluminium foil + tinned copper braid)
Jacket:	PVC GA78, round
Diameter:	Approx. 9.5 mm
Colour:	Ice Blue
Packaging:	300 m bobbin

SPECIFICATION

Application:	HDMI, DVI and DisplayPort cable manufacturing
Signal type:	High-speed digital audio & video
Bandwidth:	Suitable for high-bandwidth UHD digital transmission
Shielding:	Triple-shielded for maximum immunity against EMI/RFI
Installation:	Flexible construction for professional cable assembly
