Customs tariff no: 8536901000

Country of origin: Taiwan

### SUPRA RCA-6SC high-end plug

24K gold-plated RCA contact with exceptional electrical and mechanical performance. Fully shielded and RFI-proof, featuring a robust design suitable for cables up to Ø6.5 mm.

Equipped with a mechanical cable strain relief system providing highly effective yet gentle fixation for both cable and connector. The connector features a one-piece machined body, a solder loop for the negative (0) signal conductor, and an additional connection for the screen drain wire.

PTFE insulation ensures maximum heat resistance, while the aluminum metal housing provides durability and structural integrity. Color markings enable easy channel identification.

Note: The shielding housing must be placed onto the cable before soldering.
